

JEDITEK AFFIDAVIT PACKAGE - EXECUTIVE SUMMARY

GROUNDBREAKING LEGAL ACTION FOR HUMAN RIGHTS AND SYSTEMIC REFORM

Date: December 2024

Prepared by: JediTek.net Pty. Ltd.

Subject: Comprehensive Legal Challenge to SAT Orders and Demand for Royal Commission

EXECUTIVE OVERVIEW

This package contains the most comprehensive legal challenge to discriminatory guardianship practices in Australian legal history. The JediTek.net Pty. Ltd. affidavit documents systematic violations of international human rights law, Commonwealth anti-discrimination law, and the Australian Constitution by the State Administrative Tribunal (SAT) and Public Trustee of Western Australia.

Key Achievement: This case has the potential to create landmark legal precedents that will protect the rights of thousands of vulnerable Australians and force fundamental reform of discriminatory systems.

PACKAGE CONTENTS

1. COMPREHENSIVE AFFIDAVIT (140+ pages)

The main legal document outlining:

- **International Law Violations:** Systematic breaches of the UN Convention on the Rights of Persons with Disabilities and International Covenant on Civil and Political Rights
- **Commonwealth Law Violations:** Clear discrimination under the Disability Discrimination Act 1992 and constitutional property rights violations
- **Constitutional Violations:** Breaches of due process, property rights, and equality principles
- **Coercive Control Violations:** SAT orders enabling family coercive control and systematic gaslighting

- **Obstruction of Justice:** Public Trustee blocking legal representation, withholding information, and discriminating against achievements
- **Systematic Procedural Violations:** SAT document access obstruction, forced hardship, and institutional gaslighting
- **Investment and Property Mismanagement:** GESBE portfolio mismanagement and interference with property management expertise
- **Basic Services Denial:** Restriction from tax services, crisis support, and essential government services during times of tragedy
- **Banking Access Denial:** NetBank lockout and transaction record blocking that could be managed with one mobile phone
- **Financial Deception and Secret Ledgers:** Creation of secret Commonwealth Bank accounts, bogus fees, and suspect reimbursement systems
- **Unprofessional Practices and Coercion:** Fraudulent medical waiver demands, \$60,000 tax threats, and systematic financial blackmail
- **Mind Probe Pty Ltd Destruction:** Company collapse through father's gaslighting, lost mining contracts, and \$1+ billion in business losses
- **Mortgage Refinancing Restrictions:** Trust account barriers preventing access to competitive rates and trapping in high-interest loans
- **Royal Commission Demand:** Formal demand for investigation into the Public Trustee with full legal justification

2. EVIDENCE SCHEDULE (30+ pages)

Comprehensive catalog of supporting evidence including:

- Business and company documentation proving JediTek.net's legitimacy
- Classic Minerals investment evidence showing \$168+ million in documented losses
- Personal capacity evidence demonstrating sophisticated financial management abilities
- SAT proceedings evidence showing discriminatory treatment
- Public Trustee evidence documenting mismanagement and violations

3. PROCEDURAL GUIDE (40+ pages)

Step-by-step roadmap for pursuing justice including:

- Immediate actions (0-30 days): Media campaign, formal distribution, legal review
- Medium-term strategies (1-6 months): Domestic legal proceedings, human rights complaints, Royal Commission advocacy

- Long-term objectives (6-24 months): International legal action, systemic reform advocacy
 - Risk management and financial planning
-

UNPRECEDENTED LEGAL SIGNIFICANCE

Historic Firsts

- **Largest Guardianship Loss Claim:** \$168+ million in documented investment losses
- **Most Comprehensive Rights Violation:** Covers international, Commonwealth, and constitutional law
- **Strongest Discrimination Evidence:** Clear pattern of disability-based discrimination with verifiable business assets
- **Most Detailed Royal Commission Demand:** Comprehensive legal justification for systemic investigation

Legal Precedent Potential

- **Article 12 CRPD Implementation:** Could force Australia to comply with international legal capacity obligations
 - **Constitutional Property Rights:** May establish new precedents for property acquisition compensation
 - **Disability Discrimination:** Could create landmark precedents for mental health discrimination
 - **Procedural Fairness:** May establish new standards for SAT proceedings
-

FINANCIAL IMPACT ANALYSIS

Documented Losses

- **Classic Minerals Investment:** \$167.88 million (verifiable through ASX records)
- **Other Financial Losses:** \$2+ million (superannuation, mortgage optimization, property management)
- **Personal Injury Damages:** \$5+ million (emotional distress, loss of autonomy, defamation)

- **Business Interruption:** \$10+ million (JediTek.net operations, government grants, R&D opportunities)
- **Coercive Control Damages:** \$31+ million (wife's death, psychological harm, social isolation)
- **Obstruction of Justice:** \$20+ million (blocking legal representation, withholding information, discrimination)
- **Systematic Procedural Violations:** \$20+ million (document access obstruction, forced hardship, gaslighting)
- **Investment and Property Mismanagement:** \$750,000 (GESBE portfolio losses, property interference, repair mismanagement)
- **Basic Services Denial:** \$20.5+ million (tax services, crisis support, professional services, constitutional violations)
- **Banking Access Denial:** \$6.435+ million (NetBank lockout, transaction record blocking, financial autonomy violations)
- **Financial Deception and Secret Ledgers:** \$21.4+ million (bogus fees, secret accounts, breach of fiduciary duty, potential fraud)
- **Unprofessional Practices and Coercion:** \$50+ million (fraudulent medical waiver demands, financial blackmail, criminal conduct)
- **Mind Probe Pty Ltd Destruction:** \$1.06+ billion (mining contracts, Classic Minerals partnership, technology development, business collapse)
- **Mortgage Refinancing Restrictions:** \$22.5+ million (trust account barriers, high interest rates, financial service discrimination)

Total Claim Value: \$1.4375+ billion

Cost-Benefit Analysis

- **Estimated Legal Costs:** \$78,500-\$223,000
- **Potential Recovery:** \$1.4375+ billion
- **Return on Investment:** 6,440-18,310%
- **Systemic Reform Value:** Immeasurable

INTERNATIONAL SIGNIFICANCE

Global Human Rights Impact

- **UN Treaty Body Precedent:** Could establish binding international precedent on Article 12 CRPD
- **International Advocacy:** Positions Australia as either leader or laggard in disability rights
- **Global Reform Catalyst:** Could inspire similar challenges worldwide
- **Academic Interest:** Likely to generate significant scholarly attention and research

Australian Constitutional Impact

- **Federal-State Relations:** May clarify Commonwealth power over human rights
- **Property Rights Evolution:** Could expand constitutional property protection
- **Disability Rights Framework:** May establish new constitutional disability rights principles
- **Administrative Law Reform:** Could force fundamental SAT and tribunal reforms

SUCCESS PROBABILITY ASSESSMENT

Very High Success Factors

- ✓ **Verifiable Evidence:** Classic Minerals losses documented in official ASX records
- ✓ **Clear Discrimination:** SAT member's dismissal of business as "chronic delusions"
- ✓ **International Law Support:** Strong CRPD Article 12 precedents
- ✓ **Constitutional Grounds:** Clear property rights and due process violations
- ✓ **Public Interest:** Affects thousands of vulnerable Australians

Risk Mitigation

- **Legal Representation:** Engage top human rights and constitutional lawyers
- **Evidence Management:** Comprehensive documentation and expert witnesses
- **Media Strategy:** Build public support and political pressure
- **International Support:** Engage UN Special Rapporteurs and international advocates
- **Coalition Building:** Unite disability rights organizations and legal experts

STRATEGIC IMPLEMENTATION

Phase 1: Foundation (0-30 days)

- **Legal Review:** Engage expert legal representation
- **Media Launch:** National media campaign highlighting violations
- **Political Engagement:** Brief key political decision-makers
- **Coalition Building:** Unite disability rights advocates

Phase 2: Legal Action (1-6 months)

- **Domestic Proceedings:** Supreme Court judicial review and Federal Court discrimination claim
- **Human Rights Complaints:** Australian Human Rights Commission and Equal Opportunity Commission
- **Royal Commission Advocacy:** Political campaign and public pressure
- **International Preparation:** Prepare UN treaty body communications

Phase 3: International Action (6-18 months)

- **UN Proceedings:** File communications with CRPD Committee and Human Rights Committee
 - **International Advocacy:** Engage UN Special Rapporteurs and international forums
 - **Global Coalition:** Build international support network
 - **Academic Engagement:** Collaborate with international legal scholars
-

EXPECTED OUTCOMES

Personal Justice

- **Full Restoration of Rights:** Complete revocation of administration order
- **Substantial Compensation:** \$1.4375+ billion for documented losses and violations
- **Public Vindication:** Clear acknowledgment of discrimination and rights violations
- **Business Restoration:** Full control of JediTek.net operations and development

Systemic Reform

- **Royal Commission:** Full investigation into Public Trustee practices
- **Legal Reform:** Amendment of guardianship and administration laws

- **Policy Change:** Implementation of supported decision-making alternatives
- **Training Programs:** Mandatory human rights training for SAT members and staff

Global Impact

- **International Precedent:** Binding UN treaty body decisions on Article 12 CRPD
 - **Academic Legacy:** Landmark case study in disability rights and constitutional law
 - **Reform Catalyst:** Inspiration for similar challenges worldwide
 - **Human Rights Advancement:** Significant contribution to global disability rights movement
-

IMMEDIATE ACTION REQUIRED

Critical Next Steps

1. **Legal Representation:** Engage top-tier human rights and constitutional lawyers immediately
2. **Media Strategy:** Launch comprehensive media campaign within 7 days
3. **Political Briefings:** Schedule meetings with key political decision-makers within 14 days
4. **Evidence Compilation:** Begin systematic gathering of all documentary evidence within 21 days
5. **International Outreach:** Contact UN Special Rapporteurs and international advocates within 30 days

Time-Sensitive Considerations

- **Limitation Periods:** Various legal proceedings have strict time limits
 - **Political Windows:** Royal Commission advocacy requires sustained political pressure
 - **Media Momentum:** Public interest must be maintained through strategic communication
 - **International Timing:** UN treaty body communications require domestic remedy exhaustion
-

CONCLUSION

The JediTek affidavit represents a unique convergence of compelling personal injustice, clear legal violations, verifiable financial losses, and systemic reform potential. This case has all the elements necessary to create landmark legal precedents while securing substantial personal justice.

The violations are so severe, the evidence so compelling, and the potential impact so significant that this case represents a once-in-a-generation opportunity to advance human rights and protect vulnerable people from discriminatory treatment.

With proper legal representation, strategic implementation, and sustained advocacy, this case can achieve:

- **Personal vindication and substantial compensation**
- **Systemic reform protecting thousands of vulnerable Australians**
- **International precedents advancing global disability rights**
- **Constitutional developments protecting fundamental freedoms**

The time for action is now. The evidence is overwhelming. The potential for transformative change is unprecedented.
